

# LINCOLN PARK CLASS ACTION SETTLEMENT DECLARATION

## INSTRUCTIONS

A declaration for a Lincoln Park Class Action Settlement Benefit is a written statement in your own words, signed and submitted under penalty of perjury, which contains accurate information relating to your eligibility for one or more of the settlement's benefits. These Instructions will provide you with guidelines for writing a declaration that meets the Administrator's requirements.

If you are seeking benefits as a member of the Medical Monitoring Class Fund, then you may be required to submit a declaration with your Claim Form. In addition, a third party (such as a family member, neighbor, or friend) may be required to submit a declaration corroborating the information that you provided in your Claim Form.

Use the Claim Form to identify the basis of your eligibility for Class Benefits (i.e. property owner, resident, student, etc.) and whether the proof requirements for such Class Benefits include a declaration. Declarations can be used to satisfy the proof requirements below for the Medical Monitoring Class Fund:
